# WELCOME

Dear friends and fellow philatelists

Welcome to sale 41 which, as you can see from the photos, contains many Penny Blacks. A collection comprising over 400 examples of this iconic stamp will go under the hammer. There are many plate numbers, letterings, pairs and larger multiples and the collection includes many fine to superb four margined examples. Classics of this kind will always be sought after, especially those in fine condition.

Also in the sale are some very nice British Commonwealth collections with top values and better items. There are some scarce single items, especially Long Island typeface imperfs, printing numbers of which are very low. There are plenty of World boxes and mixed lots with one-country collections in abundance, so there is something for everyone, whatever your collecting interest.

## **Viewing at Royal National Hotel, Friday 8th April**

We will be taking all lots marked S and E to the fair. We can bring albums and selected boxes if requested. Please note we will leave the fair by 2pm

## **Pre-sale viewing 11th-22nd April**

Viewing on sale day can be rather hectic so why not come and view at your convenience in our office at Three Ashes Cottage, Lanham Green Rd, Cressing, CM77 8DR? By appointment only, so please phone to arrange a date and get directions. If you are coming by train, travel from Liverpool St to Witham (45 minutes) and if you phone us with an arrival time we will collect you from Witham station by car.

Well, that's it, enjoy the catalogue and see you at the sale.
